"The Mandate of Stone Jones - Never Give Up," is a compelling 2-part story chronicling his life. The content in Part I is secular in nature, and it focuses on his past from childhood in Philadelphia to the many years he lived in Europe. Stone also believes there is a connection between his tenacity to succeed and the countless obstacles that were placed in his path to derail his goals. It was during that search for spiritual truth that he found the peace, the strength, and the ability to overcome all odds by placing his trust in God. Once he allowed God to become the driving force in his life, everything else started to come together after that.
