

Who Am I and Why Am I Here, 2005, 213 pages, Bill Hamon, 0768422558, 9780768422559, Destiny Image Publishers, 2005

This book covers step-by-step each of the eight reasons Hamon has identified as to why God created the human race. Beginning with God's original command and mandate to Adam and Eve in the Garden of Eden, Dr Hamon discusses each reason in order of importance, from greatest to least, while buttressing each point with ample scriptural support and illustrations from his own life. This is a very powerful book that will, if nothing else, spark debate and discussion that may lead to greater understanding among God's people of the reasons we are here and of God's eternal purpose for us.
